ALMA MATER

Our strong bands can ne'er be broken, Formed in Chichester High,

Far surpassing wealth unspoken, sealed by friendships tie.

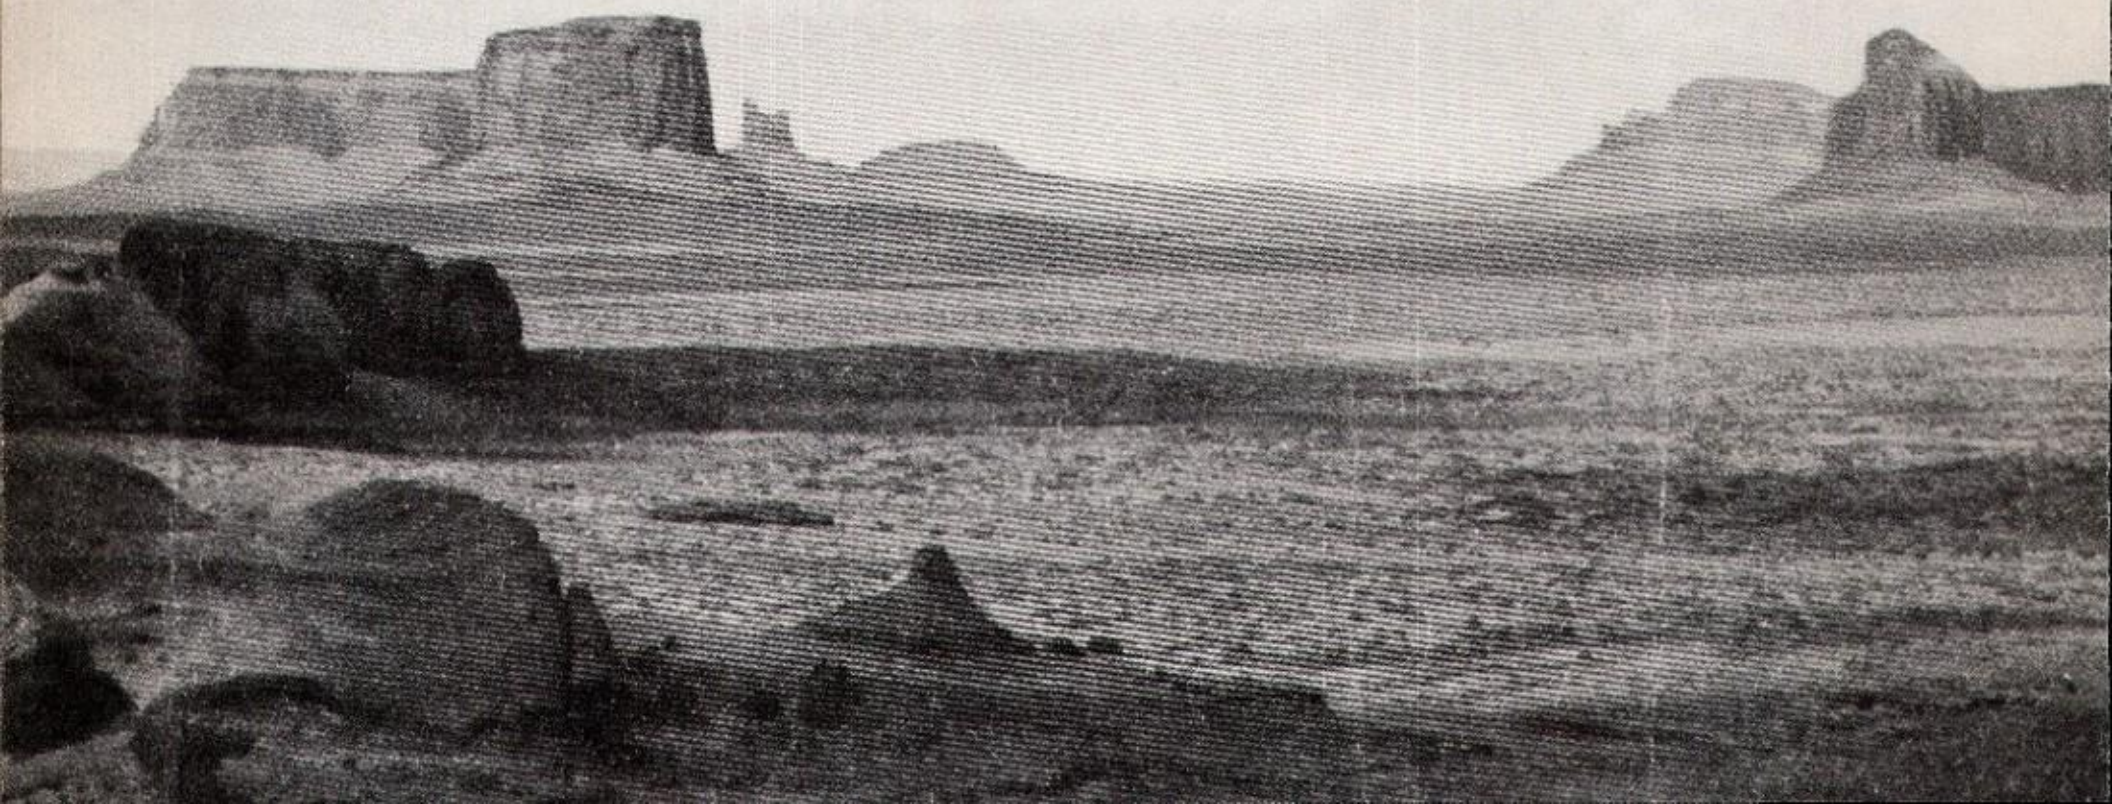

Alma Mater, Alma Mater, Deep on each heart,

Shall be found unwav'ring true, When we from life shall part.

Foreword

As the sands of time diminish and leave but a few grains of school days, we recall the bygone era that will be cherished forever but never relived. Those days of the past, those memories will be recalled by many things, but primarily by the diary of our lives. In it we find the joys and sorrows, pleasures and duties, people and places that made these twelve years of our education the birth place of our personalities and careers. To whatever success our aspirations may lead, we will return and in our yearbook find the sturdy framework upon which this same success was built.

Dedication

In dedicating our yearbook, we, the senior class, have chosen to honor a person whom we believe represents the true spirit of Chichester.

Not only has he done much to enhance the reputation of our school through his excellent coaching abilities, but has also ably helped us with many of our personal as well as scholastic problems.

Therefore, we, the graduating class, respectfully dedicate the 1958 Eagle to Mr. Anthony Apichella.

Appreciation

Roy E. Corkadel

This yearbook would not be complete without a word of thanks to the ones who gave unselfishly, without thought of personal achievement, of their time and patience to help us obtain our goals.

Therefore, we, the Class of '58, dedicate this page as a small token of our appreciation to our sponsors, Miss Lillian M. Barnett and Mr. Roy E. Corkadel.

From left to right: H. Quirk, I. Jones, J. Young, G. Panarello, F. Dowman, J. Wasley, W. Dutton, E. Pierce, M. Pierce, E. Richards.

From left to right: L. Thoenke, M. Scott, I. Truitt, L. Barnett.

We, the Graduates, wish to express our thanks and appreciation for all the help rendered to us by the School Board and P. T. A.

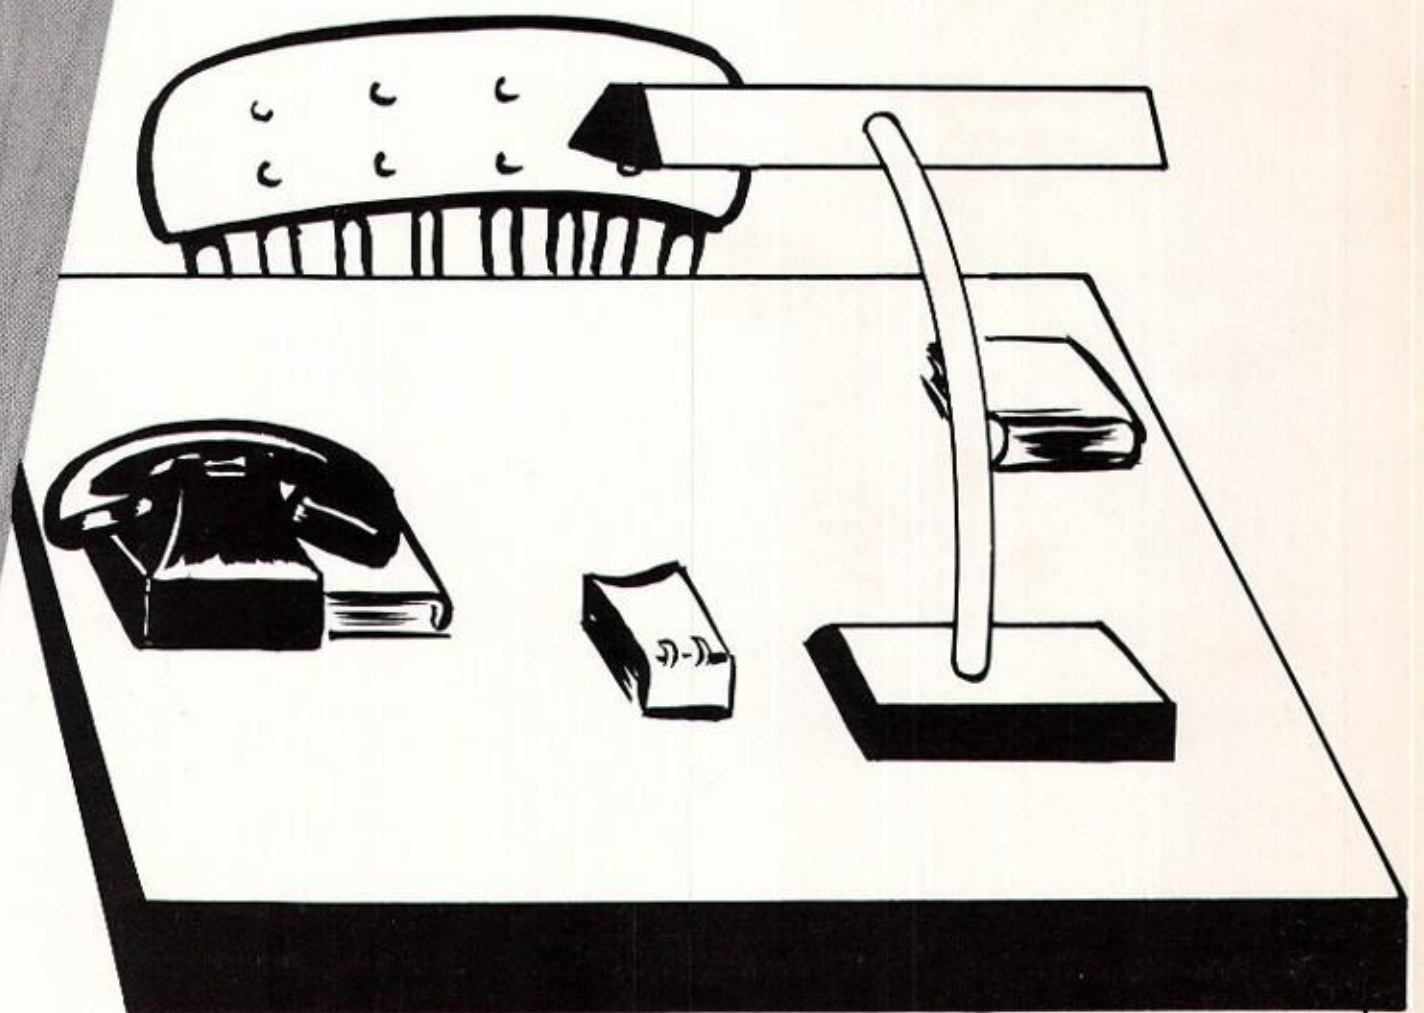

We are especially pleased with the work that has been done by the School Board in promoting a better understanding of scholastic phases, plus the innumerable sessions put in to "iron out" the problems which have arisen.

But equally important is the work being done by the P.T.A. for the advancement of a better understanding between parents and teachers.

To both of these go our deepest thanks and appreciation for everything they have done.

Gratefully,
THE CLASS OF "58"

Administration

Mr. Richards and secretary Miss Yeager.

Supervising Principal

Dear Graduate:

In tribute to your effort at Chichester in building the foundation and tradition of a "grand school", which recognizes the value of the individual student as he or she becomes a contributing member of our school, I congratulate you for your achievement in classroom, field, and related activities. I hope your years at CHI have helped to make you a "bigger and better" person.

In saying FAREWELL may we who have had a small part in placing value on your efforts, extend to you, a member of the Graduating Class of 1958,

BEST WISHES,

Edgar E. Richards

Edgar E. Richards
Supervising Principal

Howard K. Plummer

To The Graduates Of 1958:

Congratulations on the completion of your high school education.

Your associations have been many and varied and it is my hope that these associations will continue and be cherished by you during your future life.

It is my sincere hope that you have gained much from your years at Chichester and that you carry out into our community the teachings you have achieved while in school.

Congratulations and best wishes for the future.

Mr. James A. McNitt

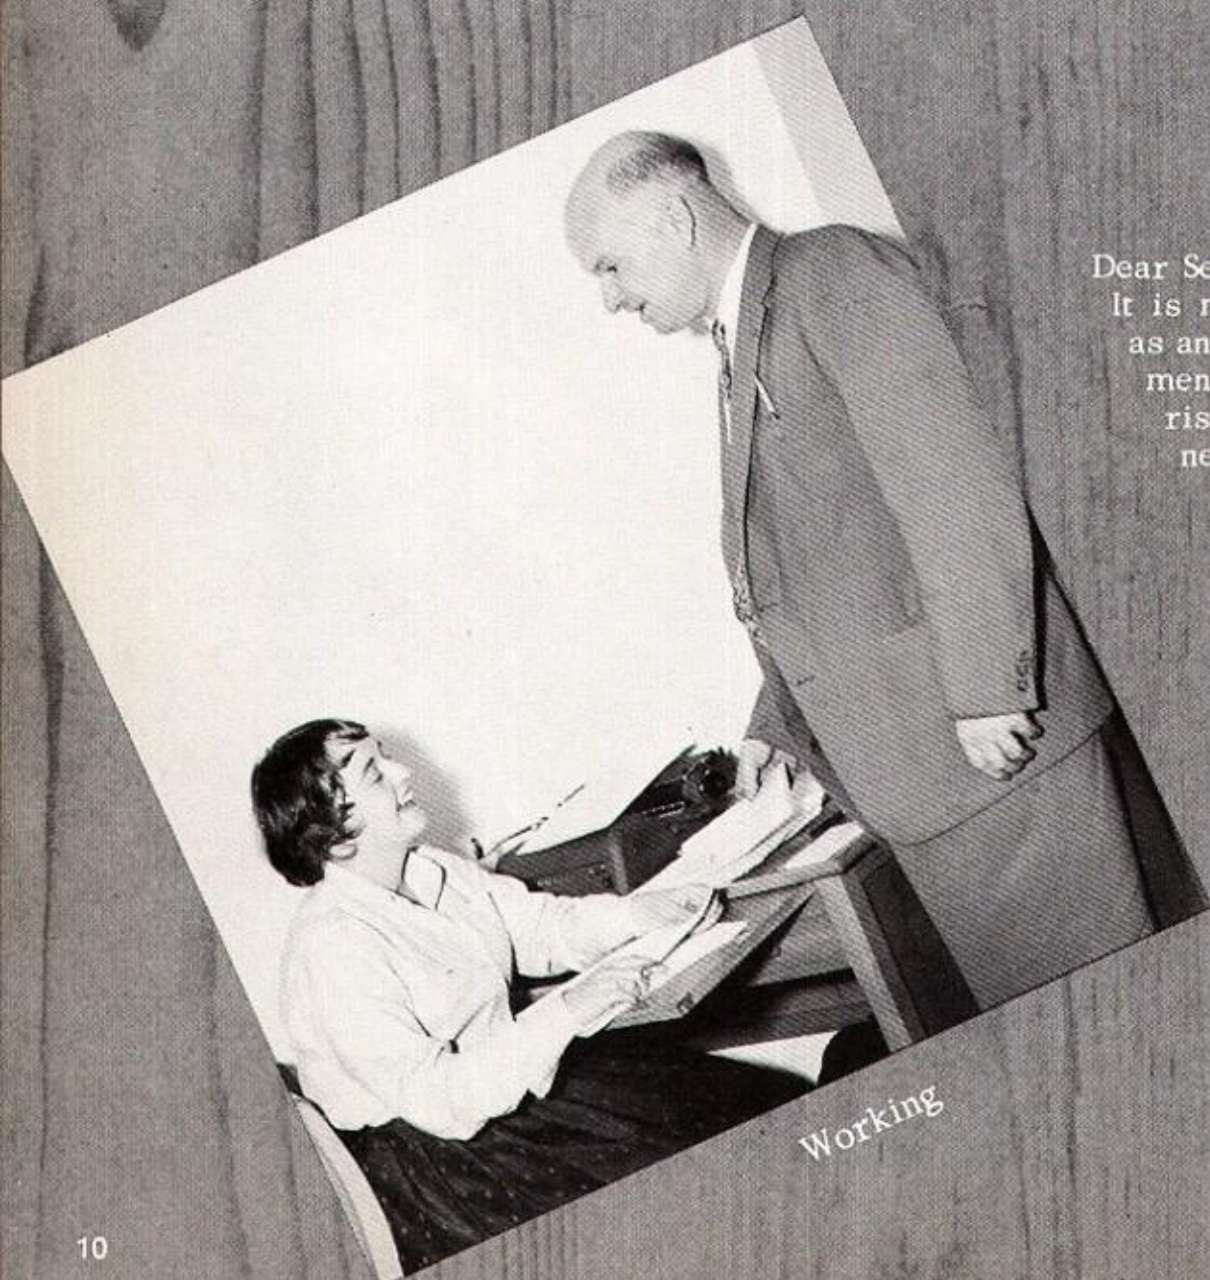

Assistant Principal

Dear Seniors:

It is my earnest hope that your graduation may serve as an impetus to carry you on toward the full development of your potential. The height to which you may rise will depend in no small measure upon the firmness of the foundations you have thus far developed.

Best wishes always,

Class Prophecy

Sunday, September 7, 1978

Dear Diary,

I awoke this morning to the sound of the Jupiter Z. Rocket zooming thru the sky. As I marveled at this great advance in Science, I recalled having read that it had been designed by those four great Scientists, ARTHUR BEER, HELEN PERKINS, JERVIS GWYNN, and ART HAMILTON; that it had been built by the best mechanics in the business - GALEN RIM, RONNIE SCHMIDT, HERSHEY IRWIN, RICHARD KILPATRICK, and RAYMOND KENNARD. It was extremely difficult for me to get out of bed this morning. Oh, well, that's what happens when you stay up till all hours of the morning listening to the dreamy music of CHARLES CALLOWAY and his great band of musicians which includes JIM MARSHALL, GARY GREEN, ERNIE LOCKE, FRED GREEN, and BILLY HINTZE. Singing with this famous band were the world known singers, ELWOOD ROBINSON and IDA SILVESTRI. At the same night club where Charles and his band are breaking all attendance records, I was entertained by the famous Rockettes of 1978, - ROSE RUSSO, IRENE WHITBY, LORETTA PERKOWSKI, BARBARA L. HARRIS, KATHRYN McDONOUGH, and DORIS DUNLAP.

When I finally forced myself out of bed, it was after 12:00, so I turned on the radio to hear the latest news report by STEPHEN POORE. My neighbor told me that Stephen is so busy he has hired three private secretaries - JOYCE POINTER, LIZ ALLEN, and ELAINE DOWNER. I got dressed, went to church and after returning home decided to lay around and rest up for the busy week to come. I decided that I would watch the Roller Derby featuring TOM BAKER and then turn on the fights to see the Champion, BOBBY WHITE, defend his title. Just as I was ready to go to bed, I received a phone call from my talkative neighbor, BEVERLY LEAKE, who told me that the former HELEN BRISTOW and her husband are planning a world tour. I finally turned out my light around midnight.

Monday, September 8, 1978

Dear Diary,

As I read my morning paper, I saw that DONALD MILLER and KARL KAMINSKI were both running for the Presidency of the United States. Good luck to both of them.

BILL JONES and NORM HARRIS made front page news by breaking all speed records with a 1000 mile high. I also noticed that GILLIAN BUNNER has been made a Five Star General and has been appointed Secretary General of the planet Mars. While burning my toast, I also burned my hand. I phoned Nurse MAXINE REVIS on my Thought-O-Phone, (a great invention by DONALD NICKLE), and after receiving my thought waves she rushed right over with her secretaries - SALLY BROWN, JUDY POSEY, and JOE SHORT. The secretaries took notes to present to the American Medical Society. This harrowing experience spoiled my plans, so I stayed home and read the Book of the Month, written by ALZIRA LOPES and WALTER PARKER.

Tuesday, September 9, 1978

My taxi, driven by PAT STAVAR arrived and drove me to the National Museum of Art. On the way to the Museum, I saw that CAROL WOOTEN had run into a milk truck and was up to her hubcaps in milk from the JAMES POWELL Dairy. When I paid Pat for the luxurious ride through town, she gave me my change in 2-headed nickels, manufactured by DAVID WATKINS. The museum was crowded to capacity. Everyone was anxious to see the art exhibits of JOSETTE PRANGE, MARLENE HORNE, and BARBARA TOLAN.

Wednesday, September 10, 1978

I was thrilled when I received two free tickets to a private showing of fashions designed by OREAN SEMONES. Orean's styles are the rage of the entire universe. Upon close examination of the tickets, I found that they had been printed by ROBERT SANFORD and BILL IVERSON. This is one event that I don't want to miss.

Thursday, September 11, 1978

I hadn't been to a basketball game for quite a while so I decided to go see the World Champion Boy's Team play the World's Girl Champion Team. Looking at my program, I saw that LAURA JONES, PHYLLIS BRADY, LAURA HIPKINS, and DORIS PHILLIPS were the top scorers for the girls and that EMILIO CONTE, RON PASSICK, WES LAWRENCE, and SONNY CARDOSA led the boys in scoring. It was the most exciting game I had ever seen. At half time the boy's team was ahead by 6 points. During intermission I saw BARBARA TRUITT and her Anti Boys' Club. I saw that BEATRICE SAMMONES, BARBARA EVANS, LORETTA TRIBBETT, BARBARA HARRIS, and JOAN ANN ROBINSON have joined the club. I said hello to them and went back to see the last half of the game. Wow! what a game. The girls finally won by 20 points. I heard that Vivian and Phyllis were going to play in the Olympic Basketball game.

Friday, September 12, 1978

At Orean's fashion show, I purchased one of her famous creations for the Cocktail Party of the great orator ALFRED McLEOD. The party was given in honor of Queen JUNE LEES of Gardendale, and was the social event of the year. Among the more famous quests were: Comedians, JAMES McCUE and MARY GALBRAITH, (they put on a comedy skit that brought down the house); the world famous Latin translator, NORMAN RITTERSON, (he was a pupil of James Craney); the couple voted tops of the ten best dressed in the world, SOFIA BOHENEK and DICK DURBANO; and last but not least, the personalities voted most athletic for the entire universe - LARRY DURBANO, JUNIOR ROBINSON, and VIVIAN WARREN. Not only were we surrounded by famous people, but the food prepared by Chef DOUGLAS BECK and his assistant MIKE RICCI was superb.

Saturday, September 13, 1978

Although I was awfully tired after Alfred's party, I boarded my train, driven by CALVIN GORDON, and was on my way to see the undefeated "Eagles" - JERRY BENDER, DINO RAPPOSELLI, BOB KRENTZ, BUTCH CARAMONICA, and RICHARD BUMFORD play against the undefeated "Bats". While reading my newspaper, I saw that the cheering for the game was to be led by CEIL CLARA, KIT WHITE, and PAT GIDUCK. Also in the same article, I saw that ROBERT SIMMONS was to photograph the game. He won the Nobel Prize for Photography.

On the Society Page, I read that JUDY CRAVEN, GERTRUDE LEWIS, SALLY KURTZ, and FRANNIE KRAINZ are all celebrating their 20th wedding anniversary.

After the game, which naturally the Eagles won, everybody went to the theatre to see JOYCE SATTERFIELD in her 12th Broadway hit. Joyce was sensational and she was backed up by a stupendous supporting cast, which included - GEORGE LAUGHERY, MARYANNE Mc CLELLAND, and JUDY PRYSLAK. The play was the most moving I have seen and the scenery designed by JOHN JAMES, MIKE JAMES, and SANDY OUTLAR was breathtaking.

As I left the theatre, with the din of applause ringing in my ears, I thought of the exciting week that had passed and I could see that the Class of '58 was indeed a prosperous group.

Under the excellent coaching of Mr. Apichella, Mr. Marcus, and Mr. Lashendock, the "Eagles", with hard playing, exceptional team spirit and cooperation went all the way to place first in section three.

The faculty and entire student body are proud of the coaches and the team and wish to extend congratulations to the coaches and team for a job well done.

We proudly present our 1958
COLOR GUARD AND MAJORETTES.

The Color Guard, under the very capable direction of sergeant Judy Craven and drill master Mr. Sacko, proudly march at the front of the band displaying many perfected routines.

The Majorettes, consisting of girls in senior high school, are admired by people wherever they march. With their wonderful coordination and vivid personalities they have been a standout in the band ever since their first parade.

The faculty and student body of Chichester High School are proud of their 13-piece, all girl drill team. The admiration shown by the students and the hard work on the part of the drill team has contributed to their becoming the Pennsylvania State Champions.

Our Cheerleaders, with co-captains Cecila Clara and June Lees, have been a great asset in the victories of our athletic teams. The color and festivities of our athletic games were heightened by the performances of our vivacious cheerleaders.

BOTTOM ROW, LEFT TO RIGHT: W. Bates, J. Marshall, G. Scott, J. Koletar, L. Junto, W. Hintze, C. Watmuff. SECOND ROW: E. Bass, R. Galbusera, G. Ballenger, N. Sack, E. Jones, Mr. DeAugustine, L. The danceband and chorus, both under the direction of Mr. Joseph DeAugustine, have presented many entertaining programs for the students and faculty of Chichester.

The chorus gave a Candlelight Service at Christmas and they are planning a Choral Concert in the spring.

The danceband has given many entertaining assemblies and has played for the school dances. This is the first year that Mr. DeAugustine has worked with the danceband and we here at Chichester feel that he has done a superb job.

Varsity

At the time of this publication the Varsity team had waged a 14 game campaign. In 10 games they emerged victorious and in 4 games they were defeated. We at Chichester wish the boys success in their next two games and we extend congratulations to Mr. Rowe and the team for the fine job they have done.

The J. V.'s coached by Mr. Dougherty had a highly successful season. At the time of this publication, they suffered only 4 losses. J. Sacher, an outstanding player was moved from the J. V.'s to the Varsity. This move was a loss to the J. V.'s but a profitable gain to the Varsity. Fine team work was displayed in all the games and we feel that the boys are an asset to the school.

Student Council

Dear Diary:

Looking back through the year, the Student Council has experienced and obtained more power in the conduction of school activities than ever before at Chichester. The credit belongs to its members, officers, and sponsors.

I know the class of "58" will always remember the second annual bon-fire, the many ideas brought back from other Student Council organizations, such as the auction day, and the first edition of the Student Handbook.

The Student Council also sponsored busses to away games and improved the monitor system in the halls as well as in the cafeteria.

I know through all these achievements the Student Council is progressing to a higher standard at Chichester.

Underclassmen

Junior High

The Junior High is an important part of our school. They are learning the traditions and ways of Chichester and will some day be the upperclassmen.

At first they find things different from what they have known, but in time they learn and become accustomed to the systems and routines.

In future years, we hope that they make Chichester proud of them, and that they grow to be as proud of Chichester as we are.

Farewell

As we close the cover of our "Diary", we look back with pride at our past accomplishments and recall many pleasant memories.

Now the time has come for each to go his own way, whether it be continuing his schooling, finding his location or serving his country.

In closing, we, the Senior Class, sincerely hope that the underclassmen who follow in our footsteps may find their path filled with happiness and success.
